

## 2020-2021 Douglas County High School Freshman Academy

# Operation **4G**—Ready!

Goals – Grades – Grind – Graduation

## Athletics, Clubs, & Organizations

Are you aware of what the easiest, quickest, most enjoyable, and most proven way to keep your grades up? Be *part* of an organization. Students who participate in activities outside of the classroom are far more likely to graduate and succeed after high school—they also earn more money! The following sports, clubs, and organizations are openly available to all students. The quicker you join, the more successful you will become! *What are you waiting for class of 2024?*
