Program Overview

The CHAMPS After school Program provides an enriching experience to all of its participants. The program is designed to help improve and increase academic performance, as well as foster social and cultural development. Opportunities for this development are provided through engaging and enriching activities. Due to the COVID-19 Pandemic, the 2020-21 Orientation and Registration will be conducted via virtual/teleconferencing meetings. If you are interested in having your child/children participate in this program, please email a request for the registration link from either one of these staff members: kyra.beris@dcssga.org or brenda.hence@dcssga.org. You can also visit our program's website via the link below
