

# THE NATIONAL HONOR SOCIETY

Since 1946, more than \$15 million in scholarships has been awarded to outstanding NHS senior members. The scholarship program is supported by the parent organization of NHS, the National Association of Secondary School Principals (NASSP).

Today, it is estimated that more than one million students participate in NHS activities. NHS chapters are found in all 50 states, the District of Columbia, Puerto Rico, many U.S. territories, and Canada.

The Douglas County High School NHS gives students many opportunities to gain service hours through the school and community.
